

OCEANPRO COMPANY PROFILE

Glen Cleary

Executive Director

Glen Cleary has successfully serviced industrial, commercial and recreational industries throughout the South Pacific in excess of 30 years.

He continues to develop supply partnerships with an enviable reputation for integrity, knowledge and support.

The knowledge, experience and insights gained, inspired the creation of **KINGSKIWI INTERNATIONAL**

Your world is changing ...

Products and supplies ordered today are delivered tomorrow from a source 100s of miles away. Seafood landed today is served in restaurants 1000s of miles away tomorrow. As industry changes and expands, developing into more of a world market, efficient purveyors of goods, services and solutions will play a greater role in those changes ... a role which will keep you and your endeavours on track, enabling you to be more effective with greater prowess ...

Providing you with more valuable time to do what it is you do best.

KINGSKIWI OCEANPRO

We are dedicated to providing marine professionals with *the best gear, the best advice, the best price, for the best results.*

We aim to be the best supplier to the marine industry in the South Pacific.

We guarantee absolute satisfaction to every customer in any transaction, no exceptions.

KINGSKIWI is committed to successful supply partnerships with all our customers.

We know that maintaining your competitive edge requires consistent improvement, innovation, and strong adaptation to market changes, developments and technology.

Experience has taught us that we can only grow if we help you to grow.
